## Special Stuffing box as spare part

Product class 034, Stat. no. 03901

The special stuffing box used in valves for Russian OEM customers can now be ordered as spare part.

Code no.: 013L0669 (includes 10 off special stuffing box)

This stuffing box is more resistant to a rise in the internal pressure caused by the water freezing.

### Delivery

The spare part can be ordered now.
