Plastic Union nut on Angle Adapter for RA 2000

As a result of market demand we are introducing a plastic nut on the angle adapter for Danfoss valve inserts with RA connection. With this new plastic nut the angle adapter are to be fastened by hand, without causing any marks on the nut.

Order no.:

013G1350 Angle adapter, RA 2000

Delivery

This change will be implemented in angle adapters supplied from next week.
