

Sales Memo

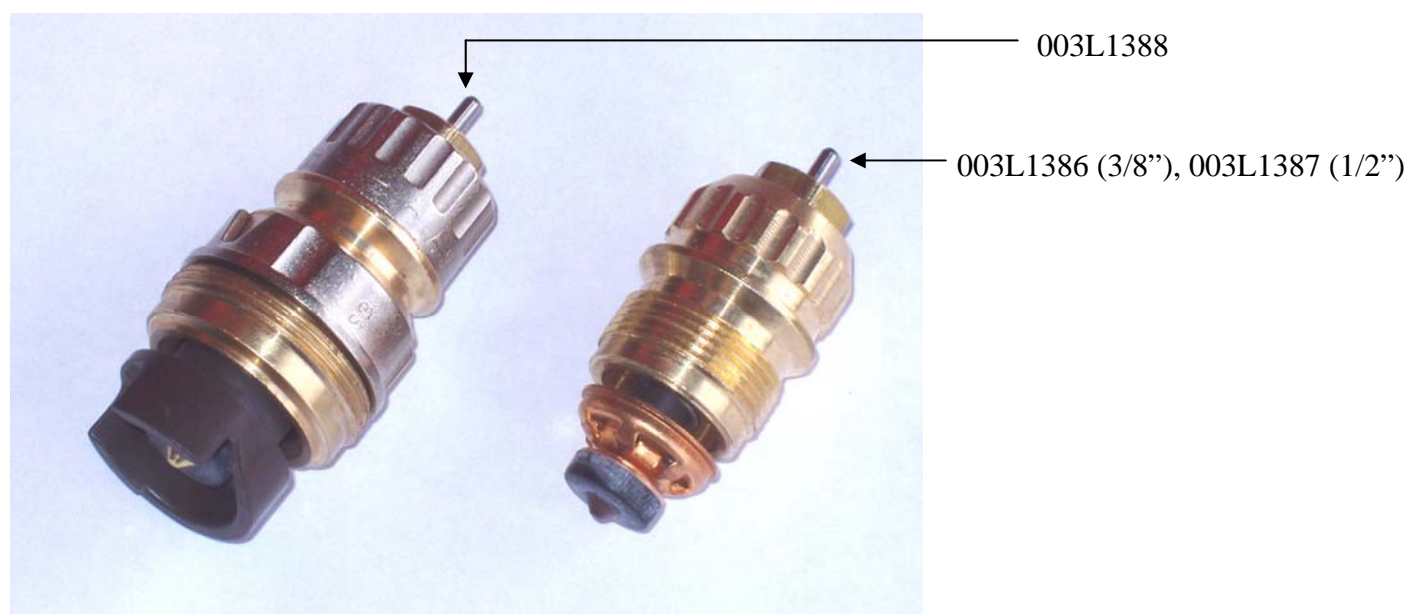

From Residential and Commercial Comfort Controls

Date: 2005.03.22

New inserts

Product class 034, Stat. no. 03997 for code numbers 003L1386 and 003L1387

Product class 225, Stat. no. 03230 for code number 003L1388

The inserts are used so we can be able to provide our customer with good service. If the valve has a defect, you can change the insert.

Code no.: 003L1386 (includes 10 inserts for FJVR 10)

Code no.: 003L1387 (includes 10 inserts for FJVR 15 and FHV-R)

Code no.: 003L1388 (includes 8 inserts for FHV-A)

This is inserts for the new FJVR and FHV-R valves and for FHV-A valves.

Delivery

The spare part can be ordered now.
